PRINCE GEORGE'S COUNTY BAR ASSOCIATION'S LAWYER REFERRAL SERVICE
RULES GOVERNING LAWYER REFERRAL SERVICE

1. PURPOSE

The purpose of the Prince George's County Bar Association Lawyer Referral Service (LRS) is to assist the public in locating lawyers for specific types of legal matters. Each year, thousands of clients are referred by LRS to its members. This service is designed to assist anyone who wants to hire an attorney and can afford to pay for legal services. Compensation will be based upon an agreement between the attorney and the client consistent with Section 9 of these rules.

2. THE COMMITTEE

A representative of the Prince George's County Bar Association shall be charged with the operation of the service and shall make such rules, for the conduct and operation of the same, subject to the approval of the Executive Committee of the Prince George's County Bar Association.

3. THE SERVICE

The Service shall be operated by an LRS representative, under the general supervision of the Prince George's County Bar Association's Executive Director. A prospective client shall be interviewed in the first instance by an LRS representative to determine the nature of the legal problem involved. If legal services are required, the prospective client shall be referred by the service to the appropriate LRS attorney.

4. ELIGIBILITY AND APPROVAL OF PANEL ATTORNEYS

Any member in good standing of the Prince George's County Bar Association, now engaged in the active practice of law, may apply for registration as a panel attorney by submitting a signed application to the Prince George's County Bar Association office. The Executive Committee of the Prince George's County Bar Association reserves the right to reject any application for registration on the panel of the service, or to remove at any time, the name of any panel attorney from the panel or from any classification. An LRS representative shall promptly notify each person, whose application is accepted, rejected or whose name is removed from the panel or from any classification. If dissatisfied with the action of any LRS representative, any person affected by this provision shall have the right to appeal to the Executive Committee of the Prince George's County Bar Association, upon written application made to the Secretary within thirty (30) days from the date of the action about which such person is complaining.

5. REGISTRATION OF PANEL ATTORNEY

No attorney shall in any event be registered with the Service unless the attorney shall warrant that he/she is a member in good standing of the State Bar of Maryland, now engaged in the active practice of law, and unless the attorney agrees, that:

- A. I will pay a yearly fee of \$150.00 for three (3) fields of law, plus \$15.00 for each additional field (subcategories and special panels excluded).
- B. I will promptly schedule (no later than 48 hours after date of initial referral via email) an initial conference with any referred client, the length of which need be no longer than one-half hour. If retained by the referred client, the engagement shall be memorialized in a written attorney fee agreement. Said attorney fee agreement shall in no way contradict the terms and conditions contained in this registration.
- C. I will remit a fee of \$50.00 to the Prince George's County Bar Association upon retaining such client, or cases taken on a contingency fee basis, will remit a contribution equal to 10% of the total legal fees earned on the case, along with a copy of the settlement statement signed by the client except criminal cases and cases with a confidentiality clause, to the Prince George's County Bar Association Lawyer Referral Service.
- D. I will maintain a professional liability insurance policy in the amount of at least \$100,000/\$300,000 as long as I am a Panel member and agree to indemnify and hold harmless the Prince George's County Bar Association and its agents, servants and/or employees from any claim of negligence that may arise as a result of my actions or omissions with respect to any referred client.
- E. I am competent and experienced in each of the categories for which I have applied; and I will not represent or advise any client contrary to the Maryland Code of Professional Responsibility.
- F. I further certify that there are no felonies/misdemeanor charges (not including traffic violations) or any disciplinary proceedings pending against me in this State or elsewhere. (If so, please fully explain on a separate sheet.) G. I will comply with all rules and procedures promulgated by the Prince George's County Bar Association in regard to its LRS.

6. FEE FOR MEMBERSHIP ON THE PANEL

Application for registration on the panel shall be accompanied by the first annual registration fee stated on the application. The annual registration fee shall entitle a registrant to select unlimited sub-panels under a maximum of three categories. For each category selected in excess of three the registrant shall pay an additional \$15.00 registration fee per year. Each panel attorney will be invoiced annually (every February), a ten day Final Notice will be sent if member dues are not paid by due date. After that, attorneys will be dropped from the panel with no further notice. The Association is under no obligation to refund all or part of any registration fee.

7. EXCLUSION OF PARTICULAR FIELDS

Any panel attorney may designate in the application the type of cases that he/she will or will not accept, but shall not be permitted to specify an unwillingness to accept referrals according to the value of the property or the amount of the claim involved. The designations may be amended at any time upon five days' written notice to the Director.

8. ACCEPTANCE OF ALL REFERRALS

Except as provided in the foregoing section, a panel attorney shall not be permitted a preference for any particular type of work. The attorney agrees to accept any case referred in any category the application on file so designates. Any panel attorney refusing a case without having previously specified an unwillingness to handle cases of that type as above provided, shall lose his/her position in rotation as if referral had been completed.

9. LEGAL FEES

A written application by an attorney to be placed on the panel shall constitute the attorney's agreement to render professional service to each client referred by the service upon the following basis:

- A. To promptly schedule (no later than 48 hours after date of initial referral via email) an initial conference with any referred client, the length of which need be no longer than one-half hour. If retained by the referred client, the engagement shall be memorialized in a written attorney fee agreement. Said attorney fee agreement shall in no way contradict the terms and conditions contained in this registration.
- B. When a client is retained, the panel attorney shall remit a fee of \$50.00 to the Prince George's County Bar Association upon retaining such client, or cases taken on a contingency fee basis, will remit a contribution equal to 10% of the total legal fees earned on the case, along with a copy of the settlement statement signed by the client except criminal cases and cases with a confidentiality clause, to the Prince George's County Bar Association Lawyer Referral Service.
- C. Compensation for further services will be fixed by agreement with the client and in keeping with the spirit of the Service. In arriving at the amount of the fee, the attorney shall be guided by the code of Professional Responsibility. D. If any dispute over fees should arise for services performed between the panel attorney and any client referred by the service, and the client so requests, such dispute will be submitted to the Prince George's County Bar Association's Fee Disputes Committee or Maryland State Bar Association for binding arbitration.

10. REFERRAL PROCEDURE

Upon contacting the Referral Service the potential client will be interviewed by an LRS representative to determine the nature of the legal service required. The LRS representative will provide the prospective client with the appropriate lawyer's name, number, and address for the purpose of scheduling an appointment. An e-mail is then sent to the selected panel attorney by the LRS representative. **The initial 30 minute consultation with the LRS attorney will be free.** Any and all fees beyond the 30 minute consultation must be negotiated with the attorney. If the attorney is unavailable for an interview with the client within a reasonable amount of time, an LRS representative shall e-mail the next attorney in rotation and so on until a prompt appointment can be made. Once particulars have been relayed by an LRS representative to the attorney's office and to the client the referral will be considered completed. The LRS representative shall add that client to the attorney's list of referred clients for monthly billing. Should a client decline to make an appointment, cancel, fail to show, or retain an LRS attorney he or she shall note this on his/her monthly LRS report. If an LRS attorney is retained by a prospective client he or she shall mail payment with his/her response to the next monthly status report. Failure to respond to a monthly status report and or mail payment within 90 days will result in suspension from LRS.
